

AND

Meadowbrook Apartments has teamed up with Sunflower Broadband to bring you savings on your cable television service. We are happy to offer our residents moving into the original Meadowbrook buildings a discount on their cable television service.

Residents can purchase the Apartment Pack television package from Meadowbrook for \$25.00 per month—this is a discount of \$10.95 per month. If any residents would like to upgrade to the Bronze, Silver or Gold television packages, you will still retain a savings of \$10.95 per month.

The enclosed brochure has details about the channels included in the Apartment Pack, as well as channels included with any higher or premium television packages. The price you see on the Bronze, Silver and Gold packages is the upgrade fee that you will pay to Sunflower if you wish to purchase more channels. (This fee added to the \$25.00 per month you will pay to Meadowbrook for the Apartment Pack will still be \$10.95 less than what you would pay for these packages as a non-Meadowbrook resident.)

We have enclosed a Sunflower Broadband form with this packet. We will need all residents to return this form with their contracts, so that we know if you will need to be connected to the television service or not. (If you choose to have television service, the \$25.00 fee will be pro-rated the first month if you are moving in on a day other than the 1st.)

Please keep in mind that if you wish to have any television service with Sunflower Broadband, you will need to be connected to the Apartment Pack. The \$25.00 for this television package is payable to Meadowbrook Apartments along with your rent; if you purchase additional channels from Sunflower Broadband, they will bill you for any upgrade fees.

To order your services before you move-in, you can call Sunflower Broadband at 785-841-2100 , or you can order your services online at <https://secure.sunflowerbroadband.com/order/meadowbrook>.
